A Diamond in the Ruff  
Located in Blue Cabana

**Personality:** I am a 1 year old shepherd mix with medium energy requirements. I'm very shy at first but will warm up quickly and become your best friend. I am very affectionate and love human companionship. I am good on a leash and can sit, stay and come. I like to get belly rubs and am waiting for the perfect family to adopt me and give me all the belly rubs I want!

**Shepherd Traits:** Shepherds are highly active dogs that are self-assured, willing to learn and eager to have a purpose. They have a loyal nature and bond intensely to their families, but can become over-protective if not socialized properly. They love to run and play and enjoy activities such as fetch.
