

## The Houston Humane Society

is a non-profit organization dedicated to eliminating cruelty, abuse and the overpopulation of animals.

The HHS provides a wide variety of animal welfare programs to Houston-area residents and their pets including acceptance of all animals, pet adoptions, humane education and Houston's only \$30 Spay/Neuter Clinic which is open to the general public. With your help, the HHS cares for more than 47,000 animals a year.

The Houston Humane Society relies solely on donations from friends and supporters, monies earned from special events, projects and donor mail-outs.

The HHS is a private organization and receives no local, state or federal government funding or operational funding from any national animal welfare group.
