"Second Chances"
**Archway Gallery's Annual Juried Exhibition to benefit
Houston Humane Society**

Exhibit runs July 3 - August 5, 2010. Opening reception set for July 10 from 5 - 8 PM

Archway Gallery presents its annual juried exhibition in July, *Second Chances*, which will benefit the Houston Humane Society (HHS). The exhibition will be on display July 3 - August 5, 2010. The opening reception, which is open to the public, is scheduled for July 10 from 5-8 pm.

Jeff Law, the director and owner of the influential Houston Heights art space October Gallery, is the exhibition juror. For more than 20 years, Law presented the work of fine and folks artists with a global perspective at his gallery and was instrumental in the development of the 19th Street Business District in the Heights. After closing October Gallery several years ago, Law expanded his artistic reach to create a living work of art, the Indian Summer Lodge. Home to his thriving landscaping business Kabloom, this vibrant Heights environment captures Law's

passion for "beauty in all its forms."

Approximately 30 artists were notified of their selection for Second Chances in mid-June. At the opening reception on July 10, one artist will be awarded a \$500 prize for the "Best of Show" of the exhibit and will receive a one-month exhibit at Archway Gallery during the 2011 season.

"Second Chances" will be on view at the gallery through August 5, 2010.

Forty per cent of the sale of each artwork will be donated directly to the Houston Humane Society.

If you love art...if you love animals, don't miss this exhibit!!

ALERT!!! ALERT!!! ALERT!!!

There's one more month left to help the Houston Humane Society receive a much needed \$50,000 Donation from Purina and Kroger.

AND YOU CAN HELP!!!!!!

The dog food giant and leading grocery store chain have teamed up to launch the third annual "Tales of the Pet Lover's

Heart" campaign celebrating the very unique bond between people and their beloved pets. This includes a donation of \$150,000 to be divided among selected animal welfare organizations across the nation.

The Houston Humane Society has been chosen to be one of those agencies and we couldn't be happier about being selected.

Together with animal lover, Trista Sutter, from ABC's, "The Bachelorette", they're inviting Houston-area residents to recognize the outstanding efforts of animal welfare agencies such as the Houston Humane Society. In fact, the HHS is one of 18 featured organizations (and the ONLY one in Texas) set to receive a portion of the donation.

Pet lovers can go to:

www.TalesForThePetLoversHeart.com

to vote for the Houston Humane Society as the campaign's "Top Tale" and the recipient of the \$50,000 portion of the donation.

Sutter will help determine the ultimate "Top Tale" this fall. The Houston Humane Society and *all* participating animal welfare organizations will each receive \$3,000 of the total donation from Purina and Kroger.

The Houston Humane Society would be able to do **INCREDIBLE** things for the animals with this kind of financial assistance.

The reality is, you're an animal lover; you wouldn't be reading this if you weren't. Therefore, you know that one of the most powerful relationships people have is with their pets. Purina knows this too and together with Kroger, the dog food manufacturer wants to recognize heart warming pet stories just like the ones that happen every day at the Houston Humane Society.

You can vote one time per day, per email account now through July 31st.

A VOTE FOR THE HOUSTON HUMANE SOCIETY IS A VOTE FOR THE WELFARE OF HOMELESS ANIMALS IN HOUSTONou!!!!

Did you know that by joining the "Neighbor To Neighbor" program, shopping for your groceries at the Kroger will help the animals at the Houston Humane Society?

It will. Everytime you use you Kroger's Plus Card, a portion of the sale of selected items will be donated to the HHS.

The Houston Humane Society (HHS) is a non-profit animal shelter dedicated to eliminating cruelty, abuse, and the overpopulation of animals. We receive no federal, state or local funds and rely solely on donations and special events. HHS provides a wide variety of animal welfare programs to Houston area residents and their pets, including pet adoptions, humane education and Houston's only low-cost wellness clinic that is open to the general public. There are many different ways you can help to reduce animal suffering, whether it is through adoption, volunteering, education, participating in our special events throughout the year, or making a donation.
