Lee the Chi

Lee is a FANTASTIC 2.5 year old Chi mix (heavy on the Chi) that has been at HHS for too long - over a full YEAR! He is just about perfect so there is no reason that he's still homeless after all this time. We need your help with finding him his perfect "fur"ever home! If you, or someone you know, is looking for that perfect companion to tote around and introduce the world to - look no further - Lee is your man! He loves ladies and other dogs. He will slowly warm up to the perfect patient man as well. Please visit Lee and FALL IN LOVE! See Lee and other HHS adoptables by clicking [here](#).
