DAISY

Has been at the shelter since 11/28/09
Help find her a home before 11/28/10!

Hello, my name is Daisy. I am a cute, loveable and very outgoing Basset Hound mix. I am almost 2 years old and I am house trained. I am a very smart Basset Hound, I know my name, I know how to sit and I am a fast learner. My favorite things to do are run and play chase in the yard and splash around in my kiddie pool or just cuddle up on the couch with my best friend. I would be a great companion for a family with kids and I get along with other pets too. I am ready to go home today so come and see me soon!!

With the economic downturn, HHS has seen a huge increase in the number of animals being admitted to our shelter on a daily basis. Most of these animals are being surrendered by their owners, and they are scared and lonely. Although we have a lovely shelter, at the end of the day it is still a shelter. Nothing can take the place of a warm, loving home. Please consider adopting a pet from HHS today! We have hundreds of homeless dogs and cats earnestly waiting for someone to fall in love with them and take them home. And as a bonus, when you adopt 1 pet you are opening up that space for another pet to patiently wait for their new home!

The fall weather is here, and the dogs are loving it! Everyone has a little extra spring in their step with the incredible weather we have been having! Things are busy as usual at the shelter, and now is a great time to sign up to volunteer or foster! If you've been thinking about trying one of these rewarding opportunities, don't wait any longer. We have a volunteer orientation on Saturday, Nov. 20th from 2-4pm. You can fill out an application by clicking [here](#). And for a foster application, click [here](#).

TAVI
Has been at the
shelter since 6/18/09
Help find him a home
ASAP!

Hello, my name is Tavi. I am a sweet boy that is a little on the shy side. I am 1 year and 7 months, and have lived at the shelter since I was 2 months old. I have never lived in a real home, and spend most of my days dreaming about having a sunny window to call my own! I am great with other cats, as I have had plenty of roommates at HHS in the 1 year and 5 months that I have lived here. Trust me, my bags are packed and I am ready to go home with YOU today so come and see me soon!!

And some of the Aeros took time out of their day to stop by the shelter this week to visit with some of our dogs. To view all of the photos click [HERE!](#)

Hotel ZaZ has gone to the dogs! Well, at least for one night it did...

The HHS held their Furry Friends and Fashionistas Gala on October 15th, and everyone had a smashing time. Several pups strutted their stuff, accompanied by HHS supporters of course. Dinner and dancing was enjoyed by all, and animal lovers gushed over the adorable adoptables all night long!

What to do with those leftover pet costumes:

Donate them to HHS!

Our pets would love to have your old costumes and pet clothes!

Why not go green and recycle those gently used costumes and clothes your pet has outgrown.

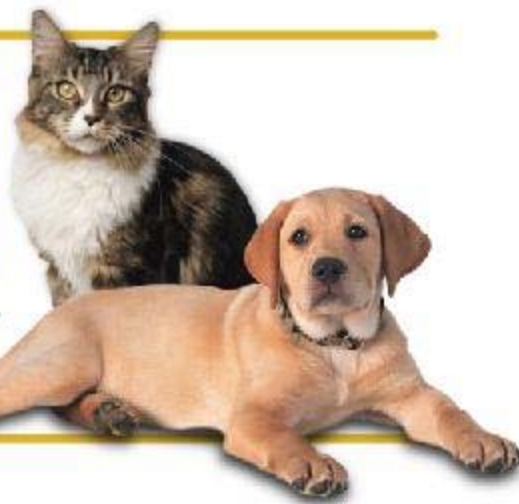

The Houston Humane Society (HHS) is a non-profit animal shelter dedicated to eliminating cruelty, abuse, and the overpopulation of animals. We receive no federal, state, or local funding and rely solely on donations and special events. HHS is committed to creating the awareness of animal rights throughout the Houston community by providing numerous animal welfare programs for Houston area residents and their pets, including pet adoptions, humane education, R.A.I.D.E.R. cruelty investigations, and Houston's only \$30 spay and neuter clinic. With your help we can reduce animal suffering throughout the Houston area. Adoption, volunteering, education, participating in our special events, or making a donation to help support our programs, are all ways you can help HHS make a difference in lives of abused, homeless, and neglected animals.
