Companion Camp is a wonderful opportunity for children ages 7-13 to work hands-on with the animals cared for by the Houston Humane Society and learn valuable life lessons concerning the welfare of animals. During a typical day, campers receive humane education, a workshop from a veterinarian or animal expert, games, crafts and hands on animal activities. Companion camp is a must for all kids and teens!

Cost is \$250 per session and includes daily snack and drinks, t-shirt, crafts, and all activities. Lunch will not be provided, so please bring a sack lunch. Campers can register online at www.houstonhumane.org. Space is limited, so register early to reserve a spot! For more information call 713-433-6421.
