

LEGACY FOR LIFE SOCIETY

GUARDIAN ANGELS PROGRAM FORM

At Houston Humane Society, we understand that pets are not merely animal companions, but are members of your family. When creating your *will provisions*, your pet(s) should also be considered and included.

We know that sometimes it is not possible to make private arrangements with family members or friends to care for your pets. With our **Guardian Angels Program**, you have the option to entrust your pet(s) to the care of Houston Humane Society.

Houston Humane Society does not euthanize for space. We work hard to ensure that every healthy, adoptable animal in our care is placed into a loving FUR-ever new home.
