🍀🍀🍀This month is all about the Large Lads🍀🍀🍀

Large adult dogs tend to not have the best luck finding a home quickly due to their size and can spend months waiting to be adopted.

All month long, the Houston Humane Society is honoring LARGE LADS with 50% off their adoption fee in hopes to change their luck! If you wish to change one of these large lads' luck, 🍀 visit us at 14700 Alameda Rd.

You can see photos of their available pets at www.HoustonHumane.org

What are Heartworms?

Our "Have a Heart" Treatment Fund was created to help cure the sweet adoptable dogs that suffer from heartworms. Heartworm disease can be potentially fatal and while it is a treatable disease, it can be very costly for a new pet owner.

This is where your sponsorship can make a difference!

By donating to our "Have a Heart Treatment Fund", you will increase the chances a heartworm-positive dog gets adopted, and you also give him or her a stronger and healthier heart!
